Quote of the
Week:

**“Don’t count
the days,
make the
days count!”**

**-Muhammad
Ali**

**Student
Spotlight:
Class of 2024
Decision Day!**

As I write this message today I would like to share so many things about the week at MHS. The first is a bit more difficult. Many students, families and staff have been impacted by the passing of our former principal, Troy Moran. The support that has been present around the building this week truly shows how the MHS family can come together. Thank you to everyone who has helped someone this week. You are appreciated beyond words.

Today we celebrated the class of 2024 and their decisions as they move closer to life beyond MHS. Mrs. Kool put together a great assembly where each student was honored and many prizes were handed out. These seniors will no doubt make an impact in this world!

Next Friday is our Ride With Pride day. The two cars, along with many other prizes will be given out to students who fulfilled their pledge to make good choices throughout the school year. We will also be having an assembly that same morning called “Power of a Choice” that will address difficult decisions teens are often faced with. Our food service is busy plan a community picnic for our entire school that day as well as some fun activities being planned by our Renaissance Class. A lot of work has gone into making this day a great one for all of our students.

A list of important dates will be listed on the 2nd page of this newsletter.

Make plans to Bike or Roll to school THIS WEDNESDAY May 8th! [Bike & Roll Info](#)
