"Hey students, did you know that, **when he was in high school, Mr. Patton played the Centaur in his high school' production of "The Lion, The Witch, and the Wardrobe?" If you were to ask him about it, he would be able to tell you that being in that play created some awesome lifelong memories.**

Also, have you heard that Ms. Bernardi was the lead role in her High School play "Little Women?" She still belts out her solo occasionally while driving to work!

Well, it's theater season at MHS, and our director Mr. Frank is looking for actors and techies for the upcoming play! Mr. Frank has a few plays in mind, but he would like to know how many students are interested in being in theater before he chooses which play!

The play is a big commitment, with many hours of rehearsals, but in that time you'll create some of your favorite high school memories. If you have interest in being involved in the play, please sign up on the bulletin board outside Mr. Frank's room, or you could Email him!
