Spotlight:
Wrestling
State
qualifiers!

Spotlight:
Bowling
Team takes
on staff!

So many great things are happening at MHS. FFA is preparing for state convention next week where they have the potential for top honors! Our basketball teams are heading into districts, our bowling team is wrapping up their season, robotics is in full swing and play practiced has begun. The NHS hosted a blood drive this week as well and over 50 of our students donated! Congratulations to our wrestling team who qualified 7 athletes for state finals! We will be sending them off at 10:20 on Thursday!

Construction on our new gym is moving along! Things are on schedule and we continue to support the need for space and grace when it comes to our parking lot and events that occur at the high school. Please remember that all student drop offs and pick ups should be occurring through the east entrance of the main parking lot. **Students should not be dropped off behind the building!**

For 2024 Spring Conference opportunities, we will be reaching out via email and phone to provide updates on your child's progress and to address any questions or concerns you may have. Please be on the lookout for upcoming communications from your child's building and teachers throughout the month of March. If you would prefer an in person meeting during these times, or any time a concern comes up, please reach out!

If you have an interest in listening to our bands perform for MSBOA festival in front of judges next week, plan to stop by on Tuesday! The middle school bands perform in the afternoon and our high school band will play at 6pm. Good luck bandas!

Important Dates:

March 11 - Spring
sports begin
March 14 -
Josten's Senior
Deliveries

Special thanks to
our custodial
staff for all the
work they put in
for all of our
events!

Quote of the Week:

"
Someday is
not a day of
the week."
