

Middle School/High School Safe Routes To School Walking/Biking Audit

Join us **on Monday, March 25th** from 3:00 p.m. – 5:00 p.m. to participate in the Middle School/High School Safe Routes To School Walking/Biking Audit. *The rain date will be Tuesday, March 26th, 3:00 p.m. – 5:00 p.m.*

What is the Safe Routes to School Initiative?

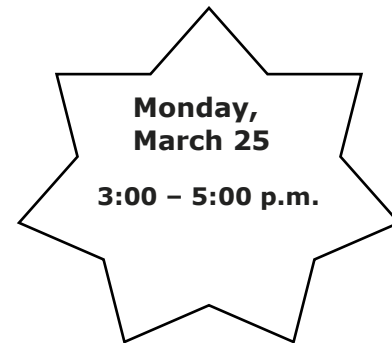

MAPS is collaborating with the City of Montague on the Safe Routes to School initiative. If approved for a Safe Routes to School grant, improvements and additions to our local sidewalk infrastructure will be largely funded by this grant.

What is a Walking/Biking Audit?

This is the first step in the planning process to assess the safety of routes that our students take to walk or bike to school.

What will I be doing?

- Meet in the MHS Crescent Room at 3:00 p.m.
- Receive a short training
- Form a group, and walk or bike 6-8 blocks
- Identify safety hazards along routes to school
- Bring first-hand experience of route safety problems
- Begin to identify possible solutions to existing safety concerns
- Meet back at the school to review what we learned and make suggestions to improve walking and biking safety for our students

Questions can be directed to Stacey Brown, Local Committee Leader: browns@mapsk12.org.
