

Dear Oehrli Families,

The year is quickly coming to an end, with only 5 weeks left of school. There are several activities that will be taking place during that time. Please be sure to look in your child's homework folder for special notes and any special classroom activities.

Spring Concert: The 4th grade spring concert will be Tuesday, May 16th at 7:00 PM at the high school auditorium. The students from RRO will be walking over to the high school that morning to enjoy the dress rehearsal. Please come out and support our students and enjoy the show! This will be Mrs. Wood's final concert as she is retiring at the end of the year. She had impacted so many of the students in the Montague Community for many years. She will be greatly missed, but we wish her all the best in her retirement!!!

FFA Animal Day: On May 23rd some of our classes will be walking over to the high school for this event. Our students will get to see and pet some of the animals as they learn how to care for them.

Transition Days: On Friday, May 25th our fifth-grade students will be walking over to NBC to tour the school, meet Mr. Perreault and some staff, as well as learn about some policies, procedures and programs. We hope that this day will ease some of the nerves of the students as they transition to a new school.

Field Day: RRO Field Day is set for Friday, June 2nd. Mr. Bass is looking for parent volunteers to help with the activities. Please be sure to sign up and help.

Last Days of School: Please remember that Thursday, June 8th and Friday, June 9th will be half days for RRO. Students at RRO will be dismissed at 12:10 PM. If you are a parent of a 5th grade student, you are invited to join us for our traditional 5th grade send off as they make their last exit out the doors of RRO on June 9th at the end of the day. More information to come.

As many of you know, I have also made the decision to retire at the end of this year. I want to thank all of you for entrusting me with your children over the years. It has been an honor and blessing to serve this district and community as the principal of RRO. I will miss the students, staff and parents of this district, but know that your children will continue to be loved and well taken care of by the awesome staff. 😊

Educationally yours,

Jeffrey A. Henderson
RRO Elementary Principal
